

Sanctuary Refurbishment Update

Next Sunday, March 16, the Long Range Planning Committee, along with the FBC Deacons and the Finance Committee, will distribute and collect a selection form to church members concerning the options for refurbishments that will take place in our Worship Center.

Each member will have the option to register their choice on the form they receive. The distribution and collection of forms will take place at the end of next Sunday's morning worship service.

New to FBC? OR Just haven't downloaded the app yet?

It is really simple! Just go to your app store and search for the *shelbynext* membership app, download it, then call Allen or Karen in the church office for a username and password. Along with remote giving, you can access phone numbers, addresses, and birthdates of church members.
