Our family has always been blessed with an excellent church family who not only covers them in love, friendship, prayer, Christ like devotion but many here are literally the hands, heart and feet of Jesus. Saying that, we sincerely believe ya'll are the best so far and that does not go unnoticed or unappreciated! Specifically we want to thank each and every one of you who called, sent cards, texted, visited, and most importantly prayed for our mom during her January hospital stay and her February/March rehabilitation. We believe that in all things God has the final say and honestly in the beginning we each believed that if mom made it out of the hospital she would NOT be coming back home but would be going directly to a nursing home-BUT God had other plans-we've each told her He's not done with you yet-because not only is she better than she was before she went into the hospital-she is back home! Only God and powerful prayers could make that happen! We hope this encourages you to keep praying-we don't always get to see direct results-sometimes there is a lot of planting and praying-without getting to see the fruition-but in this case we got to see some fairly immediate results-so again thank you to each and every one of you and may God continue to richly bless First Baptist Henderson, Texas. With much love,
 The Vicki Davis Family

Dear Church Family, Thank you to all those who made donations for the Buckner "Shoes for Orphan Souls" project. We were able to turn in a check for 59 pairs of shoes at the WMU Annual Meeting and Missions Celebration in Waco. The entire meeting was outstanding, including an extra blessing because of the many youth who attended the special sessions planned for them...plus more men, Hispanics and African Americans than in previous years. We were challenged by missionary testimonies and the excellent workshops presented. Thank you for your continued support for missions!
 Toni Hale

THANK YOU
